

Play is open to students of NRSD and surrounding towns.

Players of all skill levels welcome!

Instructional goals by level include:

Introductory Level. Students new to the game receive instruction on:

- * the roles of the playing pieces

- * the organization of the board, and

- * basic game strategies

Recreational Level. Students with fundamental to advanced understanding of chess enjoy:

- * competitive games with skill-matched playing partners

Competitive Level. Students advance their skills through:

- * instruction from Dr. Imre Toth, US Master of Postal Chess
- * strategy exercises, and
- * state-level tournament participation

Entrance fee is \$2 per session per player.
